Parliament Trip - GCSE Romanian

Students and staff from Co-op Academy Leeds have been supporting to lead the campaign to pressure exam boards to introduce GCSE Romanian. There are currently over 20 heritage language GCSEs, yet there are no accreditation opportunities for multilingual students who speak Romanian - the UK's third most spoken language.

On the 27th April the campaign held a meeting in the Houses of Parliament to make their case to MPs. Eduard Avadanei and Larissa Grec, Year 10 students, made speeches in front of 120 politicians, ambassadors, and journalists about why this injustice needs to be corrected and the impact this would have on their future opportunities. One MP present remarked that the students were 'future politicians'.

The students were a credit to the school, city, and wider Romanian community. Please find below images of Eduard making his speech, and alongside local MP Mark Sewards.

Message from the Headteacher

Dear Parents, Carers, and Students,

As we reach the end of another incredibly busy half term, I am delighted to welcome you to this latest edition of 'Academy News'. It has been a privilege to watch our students continue to work hard, demonstrate our core Co-op values, and show real determination in everything they do.

First and foremost, I want to shine a spotlight on our fantastic Year 11 students. They are currently in the thick of their GCSE examinations, and their attitude has been nothing short of exemplary. The focus, maturity, and resilience they have shown during this high-pressure period is a credit to themselves, their families, and our academy community.

As we look ahead to the next half term, I would like to take this opportunity to reinforce our core expectations. High standards are vital in ensuring all students can learn and achieve their best in a safe, supportive environment.

Please take a moment to review these crucial reminders with your child:

- **Punctuality:** Every minute of learning counts. Students must arrive at the academy on time - at 08:25 - every day, ready to pass through the gates and start their day successfully.
- **Uniform:** We expect all students to wear their full academy uniform with pride. Please ensure your child returns after the break in the correct attire, adhering fully to our uniform policy.
- **Equipment and Bags:** Being ready to learn means having the right tools. Equipment checks take place daily. It is compulsory for every student to bring a proper school bag containing their student planner, timetable, and pencil case (including 2 black pens, 1 red pen, a pencil, a ruler, and an eraser).
- **Monday Finish Times:** A quick reminder that our schedule includes a staggered or altered finish time on Mondays compared to the rest of the week. Please ensure your child is clear on their travel arrangements for Monday afternoons.

Thank you, as always, for your continued support and partnership. By working closely together, we ensure our young people have the structure and encouragement they need to thrive.

I wish you all a safe, restful, and enjoyable half-term break, and I look forward to welcoming our students back, refreshed and ready for the final term of the academic year.

With very best wishes,

Miss Natalie Jones, Headteacher

Amazing News! A group of 10 Year 8 students attended Leeds Poetry Slam 2026.

It was a poetry competition where they worked diligently over two months, writing their own poems and even coming in during the Easter holidays to practice their performances.

They demonstrated incredible commitment and resilience, making our school extremely proud. We came 2nd place out of 14 schools! A huge well done to them all. They have worked extremely hard!

Where did you go after leaving Co-op Academy Leeds?
Elliott Hudson College

Did you gain any other qualifications?

What advice would you give to current students?
My advice to current students would be to revise for exams and stay focused, because the effort you put in now will benefit your future and help you achieve your goals. Even if school feels difficult at times, do not give up, there are so many opportunities ahead, whether that is college, university, or employment.

I would also encourage students to appreciate and respect their teachers, as they do a lot to support you, even when you may not realise it at times.
