Well done to all the players!

Here's some work from our science club. Students have done a lot of experiments and have making bath bombs and lava lamps.

School meals are
the healthy choice

Free school meals can support your
child to stay healthy so that they can
grow, learn and play!

Every day we make sure they provide the right balance
of nutrients so children are ready to learn in the
classroom.

Oral Health Workshop

Yorkshire Partnership with Leeds University delivered
workshops to all the year 7 students on Oral Health. The
visitors had a great experience and really enjoyed meeting
the Year 7s. Visitors were impressed by the level of
engagement and interest students showed.

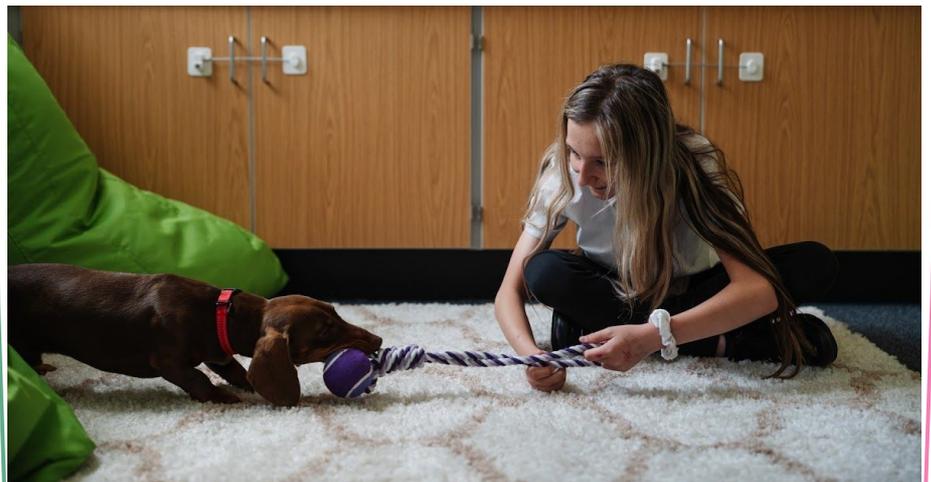

Dash: Our Smallest Member of the Support Team

We are thrilled to have Dash, our Miniature Dachshund, as part of our school community. Dash isn't just a friendly face; he plays a vital role in supporting our students' growth. By spending time with Dash, students benefit from:

- **Emotional Wellbeing:** Helping to boost confidence and provide a sense of calm.
- **Boosted Engagement:** Improving overall mood and enthusiasm for school life.
- **Literacy Motivation:** Encouraging a newfound desire to read and write when working alongside a non-judgmental "study buddy."
- **Self-Regulation:** Helping students learn to manage their energy and emotions in Dash's presence.
- **Social Awareness:** Teaching valuable lessons in reading social cues, understanding boundaries, and responding to positive and negative feedback.

Year 11 Mock Interviews

It was such a positive experience, and our Year 11 students truly shone. They were exemplary in every way. All 17 external guests commented on how amazing the students were, highlighting how confidently and maturely they presented themselves throughout the day.

Every guest thoroughly enjoyed their experience at Co-op Leeds and said it was an absolute pleasure meeting our students — all expressed that they would happily return to support future events.

There was a real positive buzz among the Year 11 students as they received their interview feedback, which was genuinely lovely to see.

This was an incredibly meaningful and purposeful experience for all involved.
