25 November 2024

Dear Parent/Carer

We have been really impressed with the effort and commitment of the Year 11 students during the Mock Exams they have completed over the course of three weeks. Please congratulate them on their efforts so far and continue to support them as they enter their last few months of schooling at Coop Academy Leeds.

Students will receive their mock exam results during their tutor time session on Monday 16 December 2024 in the Library. This process will closely reflect what they will experience in Summer 2025.

Staff will be on hand to support students if their results are not what they had hoped. They will help guide them to what Post 16 options and applications would be available with the results they achieved to ensure that they have made the right choices throughout their exams. Please continue to discuss this at home with your child.

As an Academy we celebrate achievements and successes, and this may involve publishing photographs of students with their results on social media. No student names will be shown or shared. If you do not want your child's photo and results to be shared on social media, please can you put this in writing and send this in to school for the attention of the Examinations Officer.

Finally, we look forward to working with you next year to ensure our students get their best possible GCSE grades in Summer 2025.

Best Wishes,

A handwritten signature in blue ink, appearing to read 'N Jones', is written over a light blue rectangular background.
