Message from the Headteacher

Miss Jones, Headteacher
Co-op Academy Leeds

It is wonderful to share such a positive and action-packed newsletter with you all - our students continue to shine and impress us all with their talents and hard work!

The winter half term is always full of hard work, not least from our Year 11 students have risen to the challenge of their mock examinations beautifully and fully deserve their two week break!

A huge thank you, as always, to the staff who have given their time so willingly to support trips, visits and after school/ Saturday revision sessions; without staff volunteering their own time, activities like this would not happen!

We have a couple of teachers leaving us this December: Miss Long and Miss Stalker are leaving us from Maths - we wish them all the very best for the future! Mr Parker and Ms Basil join the Maths team in January and we are very excited for them to start.

I wish you all a Merry Christmas and all the very best for 2025; we look forward to welcoming students back into the academy, ready to learn, on Tuesday 7th January 2025.

We walked 42,380 miles around the world and raised £1,350

Students, staff and members of the community came together to walk around the world - that's 42,380 miles!

We raised £1,350 to buy laptops for students who do not have access to home learning. A lot of our students are being left behind - having a detrimental effect on both their education and mental health. It's vital that children are able to use technology to learn online, not solely for their education, but also to learn essential skills that can develop their career prospects in later life.

Students enjoyed a Portuguese workshop led by University of Leeds and found out more about the importance of Portuguese as a global language.
