Dear Parents and Carers,

Recently we worked with your school to 'Poverty Proof the School Day'. Part of the process is to measure the impact that this is having on the school day and an important part of this is to gather family's perspectives and experiences.

We are therefore asking parents and carers to complete the following online survey. In it you will be asked about the changes that have been made to your own family's experience of the school and your child's school day as a result of the Poverty Proofing audit.

To complete the survey, please follow this link: <https://children-ne.org.uk/poverty-proofing/survey?uac=f81a8cca-7486-4cd6-b36a-eb72c7ffc110>

We would be grateful if you could submit your responses within two weeks of receiving this. All responses are anonymous and you do not have to give your name.

Please contact the school if you have any difficulties accessing the survey via the internet. They will be able to provide you with a paper version of the survey.

Yours sincerely,

Ancha Stoodley
